Kid's Corner Sponsor

Brenna Fox is a 6 year old Branford resi-dent who has Dravet syndrome, a rare and devastating form of epilepsy. Brenna takes multiple medications, and still has seizures regularly. Brenna is sweet and smiley and works extra hard each and every day of her life.

The Fox Family has teamed up with the CT based non-profit Dravet Syndrome Foundation whose mission is: raising hope and changing lives through research.

Thank you for your support!!
