Re: 468 Leetes Island Road

To Whom It May Concern:

I wrote to you on July 9th and again on September 2nd to express my concerns regarding a public safety hazard that exists in front of the residential property located at 468 Leetes Island Road.

I can only assume that my concerns were not taken seriously and that your association did not address this problem with the property owners of 468 Leetes Island Road since five months have passed with nothing being done to resolve the overgrowth of vegetation and the lack of maintenance on the property! Now would be the proper time for the owners of the property to cut back the overgrowth, otherwise when spring comes and the growing season resumes, the situation will be twice as bad as last year.

I implore you to take these matters seriously!

Sincerely,

A Concerned Citizen
