First Selectman Jamie Cosgrove-

We wish to thank the Town of Branford, the First Selectmen, the RTM and those involved with the procurement of the toilet facility in Stony Creek. It is an excellent compromise to a difficult situation.

Last night, April 17, 2018, there was a meeting of the Stony Creek Association, not just the Executive Board, who voted unanimously 40-0 to not have the toilet facility in Madeira Park but rather in Bayview Park. There was strong sentiment that it not be placed in Madeira Park.

As summer, the tourist season, is fastly approaching, it may be appropriate to act as soon as possible in the installation of the facility in Bayview Park.

Thank you for your consideration.

Cordially,

Daniel A. Bullard
SCA President
