

I believe the overall tenor of our Stony Creek Executive Board meetings have deteriorated. Some of the comments, both verbal and written, have become personal, some have denigrated the character of individuals and some have disrupted the flow of the meetings. All are inappropriate.

Several suggestions:

- 1) Please do not make personal negative comments about anyone either directly, indirectly, verbally or written.
- 2) If there are questions, suggestions or comments as to the proper procedures to run the meeting, please keep them to yourself during the meeting. We are doing the best we can. You may email me at [SCA06405@gmail.com](mailto:SCA06405@gmail.com) (my personal Stony Creek email address), following the meeting. I will respond as soon as possible in an email. If you believe it is an egregious error, please call the proper authorities in Hartford.
- 3) I ask that the public comment only once on each subject/topic.

Thank you,

Dan

President, SCA
