Stony Creek Association

Proposal: The idea to develop a shared calendar for organizations in Stony Creek to share event information with Stony Creek / Thimble Island residents is not a new idea.

A question is when/how to plan, design, develop, and implement a Shared Calendar

The suggestion, proposed by Jeff Lund, a resident of the Thimble Islands, is that he

- **Contact and invite representatives of the following organizations:**
 - **Stony Creek Association**
 - **Stony Creek Museum**
 - **Stony Creek Congregational Church**
 - **Stony Creek Legacy Theatre**
 - **Stony Creek Library**
 - **Thimble Islands Association**

To come together to discuss the idea for SCA to publish a Shared Calendar

- **WHAT - Publishing guidelines for a Shared Calendar – Event Announcements**
- **WHO - Recipients of the Shared Calendar across the organizations**
- **HOW - Designation of a Stony Creek Association Shared Calendar editor**

If all organizations agree to meet, SCA would take the lead to schedule a date for a work session at the library, with a representative from each organization - to plan, design, develop, and implement a Shared Calendar. Jeff Lund could help facilitate.

Needed: A volunteer from SCA to liaison with Jeff Lund and represent SCA

Timing: February / March ???
