Hannah Purdy, clerk Stony Creek Asso

20 School St

Stony Creek, CT 06405

Dear Dan, 

As you know, Kathy, Sandy & I have been working since summer to verify and reconcile the registered voter list from the town of Branford (only as it pertains to SCA), with property owner list (those owning property, but not residents), renters who are registered voters living within association boundaries and the list that Mark Richter put together for the July election.

I have attached a list that will go to both registrars in Branford for verification. Hopefully we will have some answers before the next SCA election.

Sincerely,

Tanya
