

Town Relations

Meeting with Selectmen Cosgrove on October 4th 10 am

Mark Richter attended the meeting and we discussed the following issues

Firehouse parking lot will be paved soon.

Fischer Excavating was awarded the contract to repair the wall around the dock area.

The old granite stones behind the library are being removed because the library is creating a new space but will be reused in Stony Creek.

Work on the Trolley Trail bridge abutments are being evaluated and we discussed building a kayak launch somewhere in the area.

Toilet trailer will return next year.

Discussed canceling the new road flooded signs on both sides of the underpass.
